A.R.B.A. 2007 NATIONAL TEAM JUDGING CONTEST

PURPOSE

To acknowledge outstanding group critical thinking skills, demonstrate group initiative and provide problem solving and decision making activities in a small group. This is provided through a state represented team judging competition of ARBA recognized breeds at the ARBA National Convention.

ELIGIBILITY

Each state may submit, through their ARBA District Director, ONE team per age division. Age divisions will be: 11 years and under; 12-14 years; and 15-18 years. The age of a team member is determined as of the last day of the national convention. A team must consist of four members and may have two alternates named. A team must have four members present at the ARBA National Convention.

All team members must be ARBA Youth members and current members of an ARBA chartered club in the state they are representing. Residency in the state is not required.

RULES

1. Team members may participate in an age group older than their true age but can only be a member and/or alternate on one state team. Teams with members of mixed ages will compete in the age division matching the oldest member on the team.
2. All team members must judge at the same time and agree to be available for all events scheduled.
3. Once judging has started there will be no substituting of team members.

CONTEST PROCEDURES

1. Team judging order will be posted by noon on October 14, 2007 in the contest area.
2. Each team member will be required to place two classes of four animals per class. This is a timed event of 7 minutes per class. Placements will be made on forms provided. The use of the *ARBA Standard of Perfection* at the judging table is encouraged.
3. Judging classes may involve rabbits (including meat classes), cavies, fur and wool.
4. Team score will be the sum of the four individual member scores on the team.
5. Winners will be announced and awards presented at the ARBA Youth Banquet at the National Convention.
